FORTY-FIVE HEAD 6 Bulls, 39 Females

Announcement

HIS sale is the initial step on the part of the undersigned to establish annual joint sales from our three herds, giving our purchasers the opportunity to buy the choicest of our surplus pro-

duction with a wider selection in breeding and herd bull services than either of us could present individually.

In this sale we are selling the kind of cattle that would prove profitable for us to keep. They have been either bred by us or assembled with great care in selection, and are in fact the sort of individuals and from the lines of breeding that we ourselves like to own.

Those who are looking for the material with which to found high-class herds, or to strengthen those already established, will find in this offering the kinds that will serve the purpose well. In addition to our consignments we would direct especial attention to the two imported bulls offered by William Hartnett of Chicago, also the tried herd bull consigned by The A. & M. College of Texas.

We feel we are making liberal concessions in the selection of such cattle from our breeding herds. We feel, too, that you will be more than satisfied when you see the offering. The price is left to you.

Trusting we may have the pleasure of your presence sale day, we are,

Sincerely,
FRANK SCOFIELD,
J. R. RABY,
M. L. SMILEY.

Cullisse Band Sergeant arrived last spring, spent a most successful show season which culminated in the Grand Champion award at the late Ft. Worth Show and has retired to his Lackawana home. His calves to date are remarkably well made and attractively colored. The Scofield offering distributes his services liberally and generously in view of the character of the cattle offered.—From comment in The Breeders Gazette.

Cumberland Marshal 2d is, with due consideration to all the great sons of Cumberland Marshal, as great as his greatest. Backed with such wonderful ancestry he could scarcely prove otherwise. Naemoor Beadsman is commanding in his depth of frame, heft of rear quarter and pleasing in the looseness of his mellow coat. His get should prove great feeders and easy keepers. His opportunities in the Raby herd predict for him a great career as a breeding bull. His calves have begun to arrive and indicate all-round satisfaction. Many of his services are listed.—From comment in The Breeders Gazette.

Royal Abundance won 1st prize Belfast Spring Sale and 1st prize Belfast Show, 1920.

Collynie Baronet, a 950 gn. Duthie calf, 1916; sire, Masterstroke, Mr. Duthie's noted stock bull. In 1916 he was the sire of Collynie Clipper King, sold for 2,200 gns. the sire of Collynie Master Lavender sold for 1,000 gns. 1917, and resold at Mr. Anderson, North Liorston Sale, 1920, for over 3,000 gns. In 1918 he was sire of a calf sold for 4,200 gns., also one for 2,400 gns., and in 1919 the sire of one sold for 1,350 gns. Dam, Hean Beauty, one of the best cows in Mr. Duthie's herd by Bapton Sceptre 82773, a Royal prize winner.

Collynie Mandarin won 1st at the R. A. S. E. Show and is by Mr. Wm. Duthie's noted stock bull, Max of Cluny 112487, the sire of the 2,700 gn. Collynie Lavender King sold in October, 1917, also of Collynie King Lavender sold in 1919 for 5,300 gns. Dam, Mistletoe 36th by the 1,200 gn. Bapton Favourite 76080; grandam, Missie 150th by Dauntless 54155, the dam of Mr. Duthie's stock bull, Royal Edward, Mr. Joliffe's R. A. S. E. winner, King's Champion and Mr. G. Harrison's 1st prize R. A. S. E. and Highland Society winner, Collynie Champion.

Royal Abundance, as he appears at the head of the great Smiley collection impresses one as being a genuine stock bull well selected, with a world of opportunity for proving his worth. In every way, from every angle, he bears the earmarks of a valuable sire and carries one of the best rounded and filled heart girths that can be cited on any bull today. A limited number of females will be sold bred to him.—From comment in The Breeder's Gazette.

Lot 1 Bull POLMAIS VANGUARD

Polmaise Vanguard, one of the most fashionably bred of the Brawith Bud family, and it will be noticed that besides other great bulls his 4th dam is by Cap-a-Pie, the bull with which Waverley at Inverquhomery made the Augustas and Rosewoods so famous.

Cardinal, sire, Primrose Prince 127380; dam, Caroline of the Cruickshank Crocus family and bred by J. Deane Willis by the noted sire, Stoneytown Seal 90246, and 3d dam by the Cruickshank Violet bull, Violet's Fame 78078, which sired Golden Garland and Bapton Viceroy, male and female champions at the R. A. S. E. Show the same year.

Royal Missive, a Marr Missie bull, and by Mr. Durno's noted Duthie-bred bull, Royal Mint 87199.

Challenger, one of the most famous bulls of his time by Prince of Sanquhar 71521 and his 3d dam, Mr. Cruickshank's great breeding Clipper cow, Cinderella by Royal Duke of Gloster 29864; 4th dam, Charmer by Champion of England 17526.

Polmaise Vanguard, in addition to the reproduction above, may be described as follows. A strong head well set on, a smoothly modeled shoulder, full in his heart, well sprung in his rib, straight in his lines, an abundance of style and quality, and a carriage that is seldom equaled. He has been at Lackawana Farm since the week of the Ft. Worth Show. We note improvement in him each day and if carried on until fall he will make trouble in the two-year-old class at the best of our shows.—Frank Scofield. Scofield.

Spency Rearguard has made such improvement since he came to Lackawana Farm early in March that it would do him an injustice to use the photograph made of him early in the winter. His color is most ideal, being an even dark roan. He comes from the best of breeding, being a "Miss Ramsden," a family which has produced many of our best cattle on both sides of the water in recent years. In the words of the veteran showman, Jimmie Skene; "He is the making of a real herd bull and the one who buys him will be fortunate."—Frank Scofield.

This is the herd bull at the A. & M. College of Texas, being sold for the reason that his heifers are being held for their breeding herd and the size of the herd will not warrant the retention of two herd bulls. He sells for no fault. His dam, Anoka Clipper, was considered by Mr. John Sibson, judge of Shorthorns at the last International, as the best breeding matron he saw in breeding pastures while inspecting a number of America's best herds. His sire is one of the chief herd bulls at Sni-A-Bar Farm. An own sister won the junior yearling class of the 1920 American Royal.—Frank Scofield.

Village Baron boasts of being a son of Village Flora 2d, a cow considered by many good judges to be one of the very best daughters of the great Villager. His grandam, Flora 90th, was an International champion. This calf has never had a nurse cow and is not as ripe in flesh as he should be, but with the ancestry he has behind him he might well be expected to excell himself as a breeding bull.
